

# Simple Quilling Paper Snowflake Measurements

Snowflake 1 : 8 8" marquise  
8 8" ovals  
16 8" diamonds  
8 16" teardrops

Snowflake 2 : 1 4" loose coil  
4 12" diamonds  
8 16" teardrops  
16 8" loose coils

Snowflake 3 : 13 6" loose coils  
(center and small  
red circles)  
6 12" diamonds  
6 24" teardrops  
12 8" loose coils  
(larger orange  
and blue circles)

Snowflake 4 : 1 8" loose coil  
8 6" marquise  
4 4X3/4" strips  
of paper for  
straight pieces\*  
4 8" teardrops  
16 6" diamonds  
4 8" loose coils

\* TIP: To make strong, straight pieces, fold a long quilling strip in half and glue the length so it stays together. When dry, fold in half and glue again. Your paper will be the width of 4 strips. Cut to desired length.
